Dear *Jan*

Re: Thank you for your support

Warrenpoint Town FC have just completed their most successful season in our short 30 year history. We won the Championship which secured an immediate return to the NIFL Premiership and the Mid Ulster Cup beating our opponents in a dramatic extra time finale.

Our youth teams were successful with our Under 13's winning the Lisburn League and our Under 16's winning the National League. We have had players selected at various age groups for Club NI and some on trial with Swansea. The future is very bright.

Of course, none of it is possible without your support. I want to thank you for that support. It impacts the lives of over 250 kids each year and helps run our club.

We have big plans including a major redevelopment of the pitch and extending our club rooms to accommodate more changing facilities. The redevelopment of the pitch will allow us to hold many more community events and activities. We are building strong links with other groups in the local area which is opening our facilities up to even more people.

This season our senior team will compete in the top tier league which attracts over 250,000 viewers every week and over 100,000 of those are on BBC television. The league also will have Sky Sports coverage this coming season.

We are building a commercial team to offer more back to you as a youth sponsor with events planned throughout the season. We want your help and support to continue and we want to offer you more back to you. I have enclosed an invoice which is to cover the sponsorship package you agreed with Brian Reid.

Thank you for your ongoing support and I look forward to welcoming you to Milltown this season.

Your sincerely
